

School of Science & Technology Maidstone

Planned roadworks on New Cut Road & Grovewood Drive South starting in February 2020.

Welcome to our newsletter, which aims to keep you up-to-date with what is happening on New Cut Road during 2020.

What are we doing?

We are ready to commence the final phase of roadworks on New Cut Road and Grovewood Drive South on behalf of the Department of Education. This vital piece of work will complete the entrance for Valley Invicta Academies Trust's new School of Science and Technology Maidstone.

We have been planning this event for a number of months, with close coordination between KCC Highways, Gallagher's Groundworks Ltd and number of Statutory Undertakers who are secondary stakeholders heavily involved in the scheme.

Unfortunately, this work requires traffic management on New Cut Road and Grovewood Drive South to allow the safe construction of the works. We will endeavor to complete this work as quickly as possible, to alleviate the traffic congestion on New Cut Road.

Key dates for your diary

Grovewood Drive South Closure – Monday 10th February to the 2nd May, please follow the signed diversion route.

New Cut Road 2 way traffic lights – 21st March until 2nd May.

If you have any questions of concerns about what's happening on New Cut Road, you can contact us in a number of ways:
